Dear Ladies and Gentlemen:

The attached decision notice approves the Makoshika State Park Final Management Plan for implementation. The plan guides park operations, recreational opportunities, and visitor services, while protecting the park's resources.

In July 2005, Montana Fish, Wildlife & Parks (FWP) announced a draft management plan. All public comments were considered and are summarized in the attached decision notice. The management plan was modified accordingly.

Copies of the final management plan can be obtained from Makoshika State Park at 1301 Snyder Avenue, Glendive, or by calling the park at 406-377-6256. The final plan can also be accessed on the FWP web site at www.fwp.state.mt.us.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Jeff Hager", written in a cursive style.
